Report on

WEBINAR ON IOT AND SENSOR AND IEEE DAY CELEBRATION
on 05th of October, 2021

Organized by

IEEE Student Branch, KSSEM.

In association with IEEE, Bangalore section.

KSSEM
K. S. SCHOOL OF ENGINEERING AND MANAGEMENT

EVENT NAME: WEBINAR ON IOT AND SENSORS AND IEEE DAY CELEBRATION

DATE: 5TH OCTOBER 2021

NO OF PARTICIPANTS: 200

TARGETE AUDIENCE: STUDENT OF ECE DEPARTMENT

Webinar on IOT AND SENSORS was exclusively held for the students of the entire ECE department.

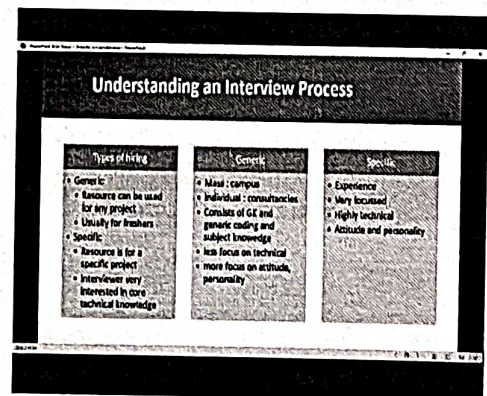

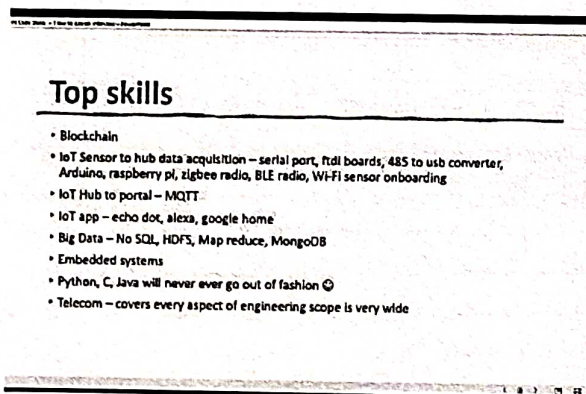

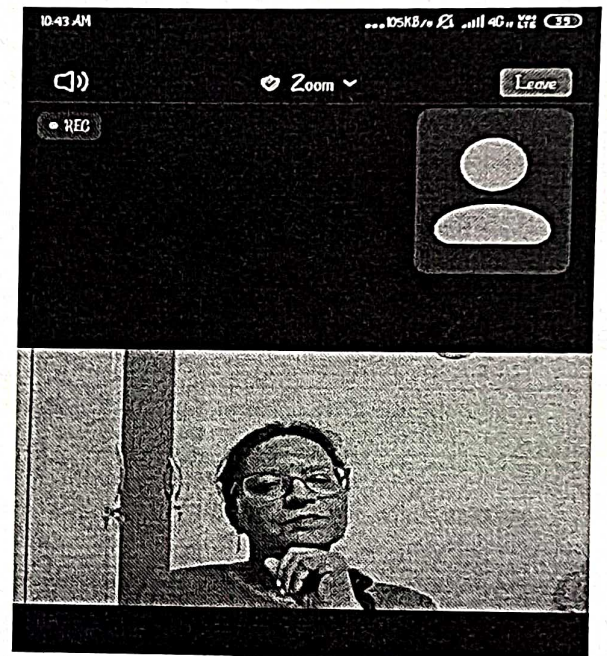

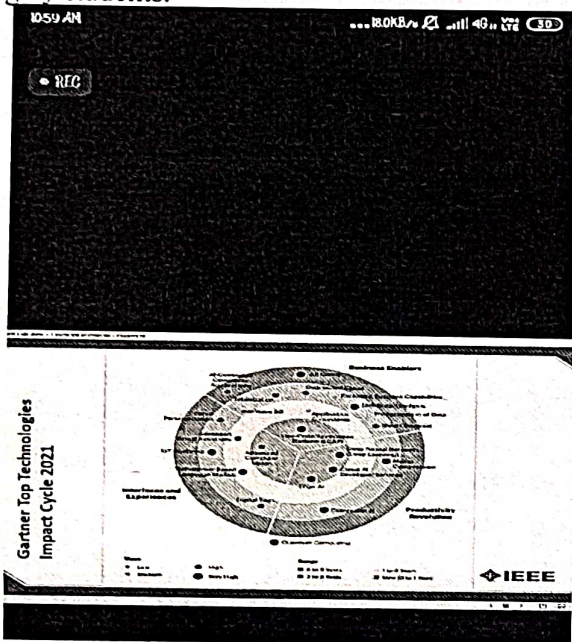

Though quickly advancing technologies, society is stirring toward an always connected model. Wired and wireless networks are ubiquitous; open standards are defined and allowed for particularly addressing procedure. Concepts associated with the Future Internet are being researched, developed and continuously adapted to daily life. One new concept associated with the "Future Internet" is called "Internet of Things" (IoT). The IoT turns into a vision where real-world objects are part of the internet: every object is exclusively identified and accessible to the network, its position, and status is known, where numerous services and intelligence are added to

Expand the Internet effectively, seamlessly combining between the digital and physical world, ultimately affecting on personal and social environment.

This webinar presents an overview of the Internet of Things, general architecture, and protocols, applications, future trends. It is positioned as a brief beneficial to a wide audience ranging such as networks researchers, consultants, and pronouncement makers in the business firm, students, researchers and so on.

And there was IEEE day Celebration for all IEEE students and faculty, there was a small cake cutting by students.
