EVENT NAME: IEEE MEMBERSHIP DRIVE

Date: 09-Oct-2021

NO OF PARTICIPANTS: 150

Targeted audience: Students of ECE and CSE branches

IEEE KSSEM Student Branch conducted the IEEE membership awareness drive on 9th October, 2021 by offline mode. IEEE (Institute of Electrical and Electronics Engineers) is an international organization that is committed to the advancement of technology and seeks to unite the efforts of people all over the world in achieving this goal. IEEE has a myriad of opportunities for students in terms of resources, skills, knowledge, scholarships, professional development support etc. IEEE seeks to engage students' interest with technical talks, discounts on technical conferences, providing a platform to showcase projects and ideas and interacting with like-minded people and experts worldwide. It also publishes online magazines like IEEE Spectrum and IEEE Potential and has a huge collection of technical papers- conforming to standards set and governed by IEEE-authored by people worldwide. These technical papers are accessible to IEEE

Members subject to conditions. IEEE also has online facilities like IEEE TV (a technical video channel), myieee (an online technical networking portal), IEEE Extreme (a 24 hour intense coding challenge between participants all over the globe). It also has various sister organizations and benefits for organizations that wish to collaborate with them. IEEE collaborates with educational institutions to organize technical talks, seminars, distinguished lecture programs, international universities fair, in-house projects etc
