Talent Exhibition is an event, which gives a platform to students to represent their talents in any field. It not only helps the participating students to show their abilities but also motivates other students to come up front and show their hidden potential. The main reason behind organizing these events is to nurture the intrinsic qualities of students and remove the fear of stage among students, which helps them in personality development too .

The Talent Hunt was organized on Feb 24, 2023, by Prof. Sreedhar .N. Students participated enthusiastically in this event and displayed their abilities magnificently. Key participants were

- Pooja (Singing) ,
- Prapulla Kumar (Stand Up Comedy) ,
- Megha (Sketching) ,
- Sumavathi (Rubik's Cube)
- MadhveshRao (Solo Theatre Performance)

All students actively participated in the event and have shown their enthusiasm and dedication in their efforts. Every contest ended up being exceptionally fascinating to the crowd.
