## CURRIER GUIDANCE

### "Insight from Leaders" Series Inaugural Report

**Introduction:** The "Insight from Leaders" series, initiated by the K S Research and Innovation Foundation (KSRIF), is a groundbreaking effort in knowledge dissemination and networking. This monthly series aims to provide a platform for leaders from various domains to share their invaluable insights and experiences. The first event of this series was held on the 22nd of November 2023, organized by the Mechanical Department of KSSEM (K S School of Engineering and Management) in collaboration with KSRIF. The primary objective of this program is to offer KSGI students a unique opportunity to engage with distinguished leaders. These events are conducted both in-person and online, and they encompass the following notable features

3.30pm -High Tea

### **Event Highlights:**

The event's inaugural session featured Dr. Sadananda Maiya, the esteemed Founder of MTR, as the chief guest and the first leader to be invited for this enlightening series. Dr. Maiya brought a wealth of knowledge and experience to the occasion, setting the tone for the caliber of leaders that will grace future installments of "Insight from Leaders."

### **Future Outlook:**

As the first installment of the series, the November 22nd event has laid a solid foundation for the future editions of "Insight from Leaders." The monthly recurrence promises a diverse lineup of leaders who will share their wisdom, providing a wellspring of insights for students, professionals, and enthusiasts alike.

### **Conclusion:**

The inaugural event of "Insight from Leaders" stands as a testament to KSRIF's dedication to promoting knowledge exchange and fostering a culture of learning. The engaging discourse led by Dr. Sadananda Maiya has set high expectations for the series, making it a must-attend for those seeking intellectual stimulation and inspiration from the experiences of accomplished leaders. The Mechanical Department of KSSEM, with the support of KSRIF, has successfully inaugurated a series that is poised to become a cornerstone in the academic and professional calendar.

# SUGGESTIONS

- Sessions can be organized in the morning that makes it more effective
- More sessions like this
- The talk motivated me to embrace challenges as opportunities for growth. The event was well-organized, fostering an engaging atmosphere. I highly recommend such talks to aspiring students and faculties for the practical wisdom and inspiration they offer.
- I would like to attend the workshop in further days gain knowledge and get an inspiration from them.
- Preferably Good to be scheduled in the Morning. 2. Dedicated Half an hour for Q&A would be really helpful to enhance more knowledge.
