## SCR ACTIVITY: VISIT TO GKVK CAMPUS

3<sup>rd</sup> semester students of Department of Computer Science and Business Systems visited the University of Agriculture Sciences, GKVK campus, Bengaluru on 20/02/2024 as part of the co-curricular activities for the subject Social Connect and Responsibility.

Prof. Shalini K, Senior faculty member of GKVK took the special session for students. She explained the various aspects of organic farming. In her lecture she covered the history of organic farming, types of organic farming, how organic farming is done and preparation of compost. She also explained the effects of pesticides for the crops. She concluded the session by mentioning the challenges of organic farming like cost and poor yielding. Students visited the Agriculture Science Museum and field. Where students were demonstrated with organic farming and compost preparation.

Ms. Jayashree L. K, Associate Professor, Department of CS & BS and Ms. Frinkly, Assistant Professor, Dept. of CS & BS accompanied the students.
