**The NSS Unit has celebrated Maharshi Valmiki Jayanthi at KSSEM.**

The **Maharshi Valmiki Jayanthi** was celebrated by the Staff (teaching and non-teaching) of K.S. School of Engineering and Management on **09<sup>th</sup> October 2022** with great enthusiasm.

Principal Dr. K. Rama Narasimha, Heads, teaching and non-teaching staff were participated in the **Maharshi Valmiki Jayanthi** celebration.

The function began with a brief introduction of **Maharshi Valmiki**.

**Maharishi Valmiki**, the author of the epic **Ramayana**, was a famous **yogi and poet** who is also regarded as **Adi Kavi**, the first **poet of Sanskrit**. Maharishi Valmiki's birth anniversary is marked every year on the day of the full moon in the month of Ashwin. This year it is being celebrated on **October 9**. The day is also known as Pargat Diwas. The Ramayana, a Sanskrit work that recounts the life of Lord Ram, has **24,000 poems split into seven "Kandas"** (cantos).

### **Story of Maharshi Valmiki**

Maharishi Valmiki is said to have been born into a Brahmin household, according to Hindu scriptures. But he turned into a dacoit and killed and looted many innocent people. He had a change of heart when he met Narada Muni. He then vowed to adhere to Ram Bhakti's ideals. He suffered severe penance for a long period of time in an attempt to change this predisposition.

According to the stories shared, a supernatural voice pronounced his penance effective after he had meditated for years, and it gave him the name Valmiki—the one who was created from anthills. He wrote 24,000 poems and accompanying khandas for the epic Ramayana under the direction of Narada Muni.

Since that time, Ramayana, the ancient epic, has continued to be recited by Hindu devotees.

Maharishi Valmiki was born at an unknown period and date, but he is thought to have lived in the year 500 BC.
