## Report on

Digital Poster Making & Handmade Painting

Organized by EC Dept Editorial Team, KSSEM

Event Name: Digital Poster making & Handmade Painting (National Science Day)

Date of Event: 4<sup>th</sup> March 2025

Venue: ARYABHATTA Seminar Hall, Dept. of ECE

Number of Participants: 40

Targeted Audience: 4<sup>th</sup> & 6<sup>th</sup> SEM students

Event Coordinator: Mr. Ravikiran B A Assistant Prof., Mr. Sanjay B Nayak Associate Prof.

The Department of Electronics and Communication, KSSEM, through its Editorial Team, organized a **Digital Poster Making and Handmade Painting** event in celebration of **National Science Day**. This initiative aimed to promote scientific awareness, creativity, and visual communication skills among students, providing a platform to express their understanding and appreciation of science through art.

Participants were encouraged to explore a variety of science-related themes such as "**Science and Technology for Sustainable Future**," "**Scientific Innovations in India**," "**Women in Science**," and "**The Role of Science in Everyday Life**." Through both digital and traditional art forms, students creatively interpreted these themes, highlighting the importance of science in shaping society and the world around us.

The event witnessed active participation from students across all semesters, who demonstrated an excellent blend of creativity, knowledge, and presentation. The initiative not only commemorated the contributions of Indian scientists but also inspired students to think critically about the role of science in the nation's development.

### **Outcome of the Digital Poster Making and Handmade Painting Competition:**

Students were able to

- Learn Creativity
- Team Work
- Exhibit Ideas

**Fig 1.1:** Poster of the Event

The event aimed to encourage scientific thinking and creativity among students while providing a platform for self-expression through visual arts.

Students participated enthusiastically, creating posters based on science-related themes such as:

- Science and Technology for Sustainable Future
- Women in Science
- Scientific Innovations in India
- Role of Science in Everyday Life

The competition was conducted in two categories:

1. **Digital Poster Making** – Students used digital tools to design visually engaging posters that conveyed scientific ideas, concepts, and innovations in a creative manner.
2. **Handmade Painting** – Participants showcased their talent through traditional mediums, using colors, sketches, and thoughtful illustrations to depict their interpretation of the given themes.

The best entries were recognized and appreciated by the faculty, and the event helped in enhancing students' communication, design, and conceptual skills.
