DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Industrial Visit

“OPEN DAY AT IISC BANGALORE 2024”

The Department of Computer Science and Engineering, KSSEM has organized industrial visit at IISC Bangalore on 24th February 2024 for the students of 8th Semester, CSE.

The IISc Bangalore Open Day 2024 was held on Saturday, February 24th, 2024, from 9:00 AM to 5:00 PM. The event was open to students, science and technology enthusiasts, and the public.

 | **INDIAN INSTITUTE OF SCIENCE**

Explore, Experience & Enjoy! **2024**
OPEN DAY
SATURDAY, 24 FEB | 9 AM - 5 PM

LIVE EXPERIMENTS <
POPULAR SCIENCE LECTURES <
SCIENTIFIC DEMOS <
EXHIBITIONS <

   **PARTNER WITH US FOR A GREEN OPEN DAY**
DO NOT LITTER - SEGREGATE YOUR WASTE | BRING YOUR OWN WATER BOTTLES

On this day, students, science and technology enthusiasts, and the public will have an opportunity to visit the Institute and go around the campus to explore the exciting science and technology initiatives and activities of the Institute. The Open Day will feature popular lectures, experimental demos, poster presentations, quiz contests, scientific competitions, and exhibitions that will be showcased in the various departments and centers. A “Kids-Zone” will offer a special attraction for all the younger students, with a number of science and technology demos on display.

- Popular Lectures: Students attended lectures on diverse scientific topics, gaining insights into the latest research and advancements.
- Poster Presentations: Students can explore the research of IISc faculty and students through poster presentations, learning about various projects and their impact.
- Exhibitions: Students have explored exhibitions showcasing the diverse research and activities of different departments and centers, gaining a comprehensive view of IISc's scientific landscape.
- Kids-Zone: A dedicated zone with science and technology demonstrations will engage younger students, introducing them to scientific principles in an accessible and fun way.

Exposure to Cutting-Edge Research: The Open Day provides an opportunity to learn about new technologies and interdisciplinary research initiatives, showcasing the diverse research domains and their real-world applications.
