**19-02-2025**

**Academic Year: 2024-25**

**TITLE OF THE PROGRAM: STUDENT PHOTOGRAPHY COMPETITION**

**BRIEF SUMMARY OF PROGRAM:**

The Student Photography Competition was organized by the Department of MBA & Research Centre at K. S. School of Engineering and Management (KSSEM) on February 19, 2025. The event encouraged students to showcase their photography skills under four themes: Architecture, Nature, Black & White, and Portrait. The competition aimed to foster creativity and technical expertise in photography while capturing the beauty of the college campus.

**OBJECTIVES OF THE PROGRAM:**

- To provide students with a platform to express their creativity through photography.
- To encourage students to explore different photography themes and techniques.
- To promote engagement within the college community through visual storytelling.
- To recognize and reward students with outstanding photography skills.
- To foster an appreciation for photography as an art form.

**REPORT**

The competition attracted enthusiastic participation from students, each allowed to submit one entry. The following rules were strictly followed:

- Photos had to be taken within the **college campus**.
- No watermarks or excessive digital alterations were allowed.
- Submissions had to be of the **highest resolution** with a suitable caption.
- Entries were judged based on **originality, composition, technical excellence, and artistic merit**.

The judging panel carefully reviewed each entry, evaluating factors such as **creativity, impact, and adherence to the theme**. The competition saw a diverse range of submissions, highlighting the **architectural beauty, natural elements, and emotional depth in portraits**.

The event concluded successfully with the **announcement of winners**, who received appreciation and recognition for their outstanding work. The competition not only provided a **creative outlet for students** but also encouraged **skill development in photography**.
