Alumna Talk Report on Importance Of Higher Education And
Opportunities In Civil Engineering

Event Name: UltraTech IndiaNext Stimulus 2025 – South Zone Finals

Date: 06 June 2025

Venue: K S School of Engineering and Management (KSSEM), Bengaluru

Organized By: UltraTech Cement Limited

Hosted By: Department of Civil Engineering, KSSEM

Quizmaster: Giri Balasubramaniam (Pickbrain)

Objectives of the Event:

- **Promote Technical Excellence:** To encourage and recognize young civil engineers with deep technical knowledge and awareness of current developments in civil engineering.
- **Foster Healthy Competition:** To create a platform for inter-collegiate competition that motivates students to strive for excellence.
- **Industry-Academia Collaboration:** Strengthen partnerships between academia and industry by engaging students through applied learning initiatives.
- **Skill Development:** Enhance problem-solving, critical thinking, and teamwork skills among participants.
- **National-Level Recognition:** Identify and promote top talent from South India to compete at the national level in New Delhi.

Outcomes of the Programme

- **Participation:** 200+ students from premier institutions across South India took part in the regional finals.
- **Winner:** *Shiva Preethika* from *Vidya Jyothi Institute of Technology, Telangana* emerged as the **South India Champion**, earning a cash prize and selection for the national finals.
- **Knowledge Sharing:** Participants and attendees were exposed to high-level quiz content and current trends in civil engineering.
- **Institutional Recognition:** KSSEM earned appreciation for its excellent hospitality and efficient coordination of a high-profile event.
- **Industry Engagement:** UltraTech Cement reinforced its role as a catalyst for student development and academic excellence in engineering.

Summary of the Programme

The *UltraTech IndiaNext Stimulus 2025 – South Zone Finals*, held on 6th June 2025 at KSSEM, Bengaluru, was a vibrant and insightful quiz event that brought together future leaders of the civil engineering profession.

With the iconic *Giri Balasubramaniam (Pickbrain)* as host, the quiz challenged participants on topics including **advanced tools and technologies in civil engineering** and the **ethical responsibilities of engineers**. The event created a balanced platform for testing both intellectual knowledge and moral awareness — traits essential for a modern-day engineer.

Shiva Preethika from Vidya Jyothi Institute of Technology, Telangana emerged victorious, showcasing outstanding knowledge and composure, and will represent South India at the national finals in New Delhi.

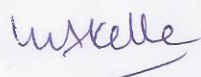

The Department of Civil Engineering at KSSEM, under the leadership of **Dr. Vijayalakshmi Akella**, received high praise for organizing and hosting the event with excellence. UltraTech Cement's initiative served as a powerful example of industry-driven academic engagement aimed at empowering the next generation of ethical and tech-savvy civil engineers.
