# 5TH ANNIVERSARY OF NATIONAL EDUCATION POLICY (NEP)-2020

DEPARTMENT OF CHEMISTRY  
IN ASSOCIATION WITH  
DEPARTMENT OF CIVIL ENGINEERING

## An Expert Talk on Significance of NEP

by

**Dr. Bhaskar S**  
**Professor, KCT**

**Date: 29th July 2025**

 **Timings : 10:00 AM to 12:30 PM**

 **Venue: Aryabhata seminar hall**

**IEEE**  
BANGALORE SECTION

**IEEE Education Society**

**IEEE**

**Sensors Council**

**IEEE**  
**COMPUTER SOCIETY**

# **REPORT ON 5<sup>th</sup> ANNIVERSARY OF NATIONAL EDUCATION POLICY (NEP) 2020**

**organized by**  
**Department of Chemistry in association with**  
**Department of Civil Engineering**

**Title of the Program:** 5<sup>th</sup> Anniversary of National Education Policy (NEP) 2020 conducted on 29<sup>th</sup> July 2025.

## **Brief Summary of the Program:**

To commemorate **5<sup>th</sup> Anniversary of National Education Policy (NEP) 2020**, an expert talk was organized on **29th July 2025** at KSSEM. The event featured an insightful session by **Dr. Bhaskar S, Professor, KCT**, who delivered a talk on **"Significance of NEP"**. The program commenced with a **formal inaugural session**, followed by the expert talk, which transform Indian education into a more holistic, flexible, multidisciplinary system aligned with 21<sup>st</sup> century needs.

## **Objectives of the Program:**

1. To promote multilingualism.
2. To enhance the quality of education and research in India.
3. To make India a global education hub.
4. To provide equitable quality education to all students irrespective of their social, cultural, and economic backgrounds.
5. To make the curriculum flexible and to the reach of children.
6. To make overall development of children i.e; physical, social, emotional and cognitive development.
7. To foster critical thinking and ethical values among learners.
8. To prepare the children for the future.

## **SPEAKER'S DETAILS:**

Name: Dr. Bhaskar S.

Designation: Professor

Organization: KCT

Expertise: Dr. Bhaskar S. is expertized in outcome-based education.

## **Participant's Details:**

- **Students:** BE students from various engineering branches. **Count: 20**
- **Faculty:** Faculty members from multiple departments. **Count: 30**

## Report:

The program commenced at **10:00 AM** with a **formal inaugural session**, which included:

- **Welcome address** by Dr. Swarna S, Head department of Chemistry
- **Keynote speech** on the significance of **National Education Policy (NEP) 2020**.
- **Address by dignitaries**, highlighting the importance of NEP in modern engineering and research.
- **Introduction of the guest speaker**, Dr. Bhaskar S. By Dr. Radha H.R.

Following the inaugural session, the **expert talk** began at **10:30 AM**. **Dr. Bhaskar S.** provided an engaging presentation on multidisciplinary higher education with multiple entry and exit points.

He explained the integrating digital learning, vocational education at all levels, reform teacher education and establish higher education commission of India (HECI).

The talk was followed by an **interactive Q&A session**, where students and faculty raised thought-provoking questions about challenges in the implementation of NEP 2020 and progress of NEP after 5 years of implementation.

## PHOTOGRAPH'S

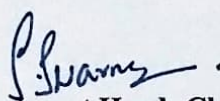

## OUTCOMES OF THE PROGRAM:

1. Enhanced awareness among teachers, students and administrators about NEP 2020 reforms, structure and objectives.
2. Provided faculty members with insights into pedagogical changes and curriculum flexibility.
3. Gained the knowledge about the importance of multidisciplinary learning and vocational skills for employability.
4. Encouraged students to participate in internship, hands on projects, and online learning platforms.
