CADD CENTRE®

Objectives of the Collaboration:

1. To provide employable skills to the student during their course at the college.
2. Make the student aware of the latest tools and techniques at an affordable fee in order to keep them industry ready at the end of their course.
3. Maximize placement opportunities for students from all the courses.
4. To build the confidence level of the student to face the challenges of the real time.

This Memorandum of Understanding is to conduct a Unique, Step – By – Step, Systematic, and Employable Skills Development Program for the students of the college towards achieving the objective of maximizing the employable opportunities for students of the College.

This Memorandum of Understanding states the terms and conditions under which the Trainings shall be conducted by CADD Centre at the College premises and lists herein the respective responsibilities of both parties.

PREAMBLE:

For a student to be recruited by a good company, over and above the subject knowledge, he/she is expected to have the following:

1. Strong Fundamental Engineering Knowledge
2. Engineering related Multiple Technical Skills – Develop skills that adds value.
3. Project Management & Operational excellence – Learn & Acquire the Skills
4. Communication & other Soft Skills

While Subject Knowledge would be provided by the college, CADD Centre will equip the students with required industry specific technical, project management and people skills.

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand. Industry requires millions of young minds at all levels but are unable to find the right candidates. This is because of the skill gap that exists between academic institutions and industry requirements. This skill gap is sought to be minimized for the students of the "College" by facilitating them to acquire the appropriate and relevant skills at the college itself keeping in mind the academic program and the progressive skills development cycle in mind, the programs are spread across their semester.

CADD CENTRE®

LINK OFFICER:

The HOD of the College shall appointment a link officer from civil department for the duration of the program, who shall liaise with Cadd centre and make the training process learner-friendly and effective. CADD centre shall work in a close relationship with the link officer, who in turn shall keep a close touch with the students. In the event of any difference of opinion between CADD Centre and the Link Officer, the matter should be referred to the Principal of the College, whose decision thereon shall be final and binding on both the parties.

COURSE FEES & PAYMENT PATTERN

The course fee per student for each course offered is decided and mutually agreed upon by both the parties. The course fee and the payment pattern are available below. The payment can be made as Cash. Students need to register by making the complete payment before starting the training program. Rs 200/per student will be re-imbursed back to the college on account of use of facilities such as computer, electricity and infrastructure. A minimum of 30 students are expected to run this program effectively.

For Civil Engineering Students							
Year	Course	Software	No. of Hrs.			Centre Fee/Normal	*Special Fee/Student
			Theory	Practical	Total		
4 th	Building Design	Revit Architecture	20	20	40	21900/-	5000/-

In the event of any student not able to attend and is missing out the entire session of classes, the college shall not make the payment towards that student.
