Subject: Recommendation for online vendor selection

Dear Sir

Thanks for organising the meeting yesterday (Aug 28, 2020) with HoDs of KSIT and KSSEM to enable me to present the summary analysis of proposals from different vendors for online education delivery. We have considered proposals./quotations for products from vendors as given below

- Microsoft Teams - Inbiot Systems
- Cisco Webex - DIAG Partners at Cisco
- Zoom meetings - Zoom website
- Techademy from IIHT, Bangalore
- EdMatix from MagikGlobal
- Instigar from Rapsol Technologies
- Blackboard course sites (blackboard.com)

As per our discussion with all stakeholders yesterday, I would recommend the following for our online education delivery platform.

1. Microsoft Teams Education Plan A1 from Inbiot Systems.

Cost (One time setup): Rs 35,000/- + GST

Recurring cost (annually) : None

This will provide MS Teams for online education delivery, and along with provides free access to Office 365 (online access to all MS office products) for both students and faculties.

Inbiot will conduct 3 training sessions of 1 hr each for our faculty members and will also do the setup for faculty/students as per our class requirements.

2. Rapsol Technologies for LMS (Learning Management System). Mr Niranjana, the person responsible for managing our website is developing this product and current product stage partially meets our requirements. He is aware of our college structure and our LMS requirements and developing product to meet our requirements.

Cost: Negotiable

3. After we become familiar with MS Teams and become comfortable with office 365, I would recommend to purchase MS education plan A3. This will provide offline access to entire MS Office suite (even without internet). This will ensure that all of our faculty (up to 100) and students (up to 2500) use licensed version of MS office,

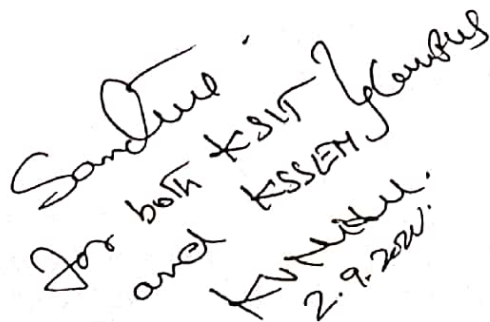

Cost (annual) : Rs 2,52,200/+ GST

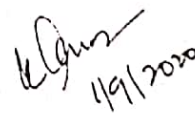

It would my pleasure to provide any other information if so needed, Attached also please find the quotes obtained from these vendors.

Regards

Dr Ram P Rustagi

Dr Ram Rustagi was requested to evaluate the alternatives that the group had and he has submitted a detailed report. He made a detailed power point presentation to all the HODs and principals of KSIT and KSSEM. Based on the discussions it was decided to go ahead with "MS Teams" which will have a one time cost of Rs 35,000/- GST which is for the initial setup. From all other expenses will be free. Hence, this proposal is recommended for both KSIT as well as KSSEM separately. For kind approval & orders.

Sandeep
for both KSIT
and KSSEM
