A team of 6 members from K S School of Engineering and Management approached us to have interactive sessions for a duration of 15 days. Among them Amitha S M(IKGI8CS008) educated the students about the working of PowerPoint presentation, excel and word. The creation of a powerpoint using templates along with that the basics of excel and word were explained. The designing and editing were also mentioned. A few examples related to the topic were shown. This comes under the Activity 1(Helping local schools to achieve good result and enhance their enrolment in technical education).The students were engaged in various activities and were made to play games. Prizes and gifts were given to the students as a token of encouragement. The students actively participated in all the activities conducted. We wish the members the best of luck for their education and hope they continue to help others grow.

Basineni Kaveri

From K S School of Engineering and Management,

Has volunteered in Teaching Drive which was organised by Rotaract Bangalore Uttarahalli in association with BBMP Bangarappgutta and showed exemplary work performance from August 6th, 2021 to August 20th, 2021.

In that time, we have found her to be a reliable, enthusiastic, and creative key contributor. Her exemplary work, commitment, professionalism has helped take our organization to greater heights during her time with us. Our colleagues had a lot of learning from her experience and activities from the past. We are proud to have her with us.

If there is a choice, we would like to have her forever in our organization. She seems to have a natural personality, able to envision a creative piece. Her ability to quickly grasp is apparent and very valuable.

SUBJECT: Appreciation letter for your contribution.

We would like to thank you for spending your time to teach our children. It was a different experience for our children, they enjoyed very much. It would help them to gain good results.

The awareness created by you in our village has made everyone to know the importance of the education.

We would appreciate your social work and suggest you to continue this further.
