Karnataka Milk Federation (KMF) is the largest Cooperative Dairy Federation in South India, owned and managed by milk producers of Karnataka State. KMF has over 2.25 million milk producers in over 12334 Dairy Cooperative Societies at village level, functioning under 13 District Cooperative Milk Unions in Karnataka State. 50000 Retailers and 100000 farmer-ship. Complaints of milk adulteration and mixing of chemicals are often reported creating tension among the public. But people in Bengaluru need not worry, as **Nandini brand of milk, processed by the government-run Karnataka Milk Federation, is absolutely safe**, according to a lab result. **Nandini good life milk** is hygienically collected from tract of Holstein - Friesian cows. It is good for your bones, and it also offers your body with a vitamin and protein enhance. And with good life milk, you get a no-boil, no-fuss product that is simple to use and delectable in

flavour. Nandini Full Cream Milk, a product of Karnataka Milk Federation, had 'Cypermethrin' pesticide 40% more than the permissible limit, found tests of five different milk brands in Bangalore.

Nandini Good Life (3.0% Fat & 8.5% SNF), Nandini Good Life -Sampoorna (4.5% Fat & 8.5% SNF), Nandini Good Life Smart (1.5% Fat & 9% SNF), Nandini Good Life Slim (<0.5% Fat and 9% SNF). Boil some milk on a slow heat while moving it with a spoon till it becomes solid. Take it off the heat and wait for 2-3 hours. If the produced solid is oily, the milk is of good quality. **Pure pasteurized standardized milk having 4.5% fat and 8.5% SNF.** Processed with all the goodness of healthy milk for healthy growth in children.

It was an amazing experience for the final year students (4th Sem – MBA) where the students learnt in detail about the production and supply chain management of KMF. On 6th June – Monday, first of all students came to college and then along with the faculties went to visit KMF – Bangalore. Transportation provided by the college and arranged a college bus accordingly.

After reaching KMF Ms. Shyamla (Marketing Manager) guided us for visiting each production division and explained the process as well. We are grateful to Ms. Shaymla and KMF for giving us an opportunity for enhancing our knowledge in this field.

Also, we are thankful to our Esteemed Management, Principal sir and HOD Sir for organizing this Industrial Visit. We have enjoyed and gathered practical and good learning experience.

**Faculty Coordinator
Prof. Rupa Chatterjee Das**

**HOD – MBA
