Acknowledgement

The internship opportunity I had with HIGH SPACE was a great chance for learning and professional development. Therefore, I consider myself as a very lucky individual as I was provided with an opportunity to be a part of it. I am also grateful for having a chance to meet so many wonderful people and professionals who led me through this internship period.

I express my deepest thanks to Mr. Naveen Sharma, Director for providing this brilliant opportunity. For giving necessary advices, guidance and arranged all facilities. I choose this moment to acknowledge her contribution gratefully.

I would like to express my deepest gratitude and special thanks to the of Mr. Kiran, Project engineer, who in spite of being extraordinarily busy with his duties, took time out to hear, guide and clear all my doubts regarding the various process in construction.

The friendly welcome from all the employees is appreciating, sharing their experience giving their peace of wisdom which they gained in long journey of their work.

I perceive as this opportunity as a big milestone in my career development. I will strive to use gained skills and knowledge in the best possible way, and I will continue to work on their improvement, in order to attain desired career objectives. Hope to continue cooperation with all of you in the future.

The internship opportunity I had with HIGH SPACE was a great chance for learning and professional development. Therefore, I consider myself as a very lucky individual as I was provided with an opportunity to be a part of it. I am also grateful for having a chance to meet so many wonderful people and professionals who led me through this internship period.

I express my deepest thanks to Mr. Naveen Sharma, Director for providing this brilliant opportunity. For giving necessary advices, guidance and arranged all facilities. I choose this moment to acknowledge her contribution gratefully.

I would like to express my deepest gratitude and special thanks to the of Mr. Kiran, Project engineer, who in spite of being extraordinarily busy with his duties, took time out to hear, guide and clear all my doubts regarding the various process in construction.

The friendly welcome from all the employees is appreciating, sharing their experience giving their peace of wisdom which they gained in long journey of their work.

I perceive as this opportunity as a big milestone in my career development. I will strive to use gained skills and knowledge in the best possible way, and I will continue to work on their improvement, in order to attain desired career objectives. Hope to continue cooperation with all of you in the future.

Acknowledgement

The internship opportunity I had with FUTURE-ED CADD CENTER was a great chance for learning and professional development. Therefore, I consider myself a very lucky individual as I was provided with an opportunity to be a part of it. I am also grateful for having a chance to meet so many wonderful people and professionals who led me through this internship period.

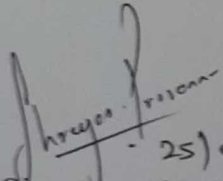

I express my deepest thanks to Ms. Rinku Suresh (Civil Engineer /BIM Professional Trainer) for providing this brilliant opportunity, for giving the necessary advice, guidance, and arranged all facilities. I choose this moment to acknowledge her contribution gratefully. I would like to express my deepest gratitude and special thanks to Ms. Rinku Suresh who despite being extraordinarily busy with his duties, took time out to hear, guide and clear all my doubts regarding the various process in construction.

The friendly welcome from all the employees is appreciating, sharing their experiences giving their peace of wisdom which they gained in the long journey of their work.

I perceive this opportunity as a big milestone in my career development. I will strive to use gained skills and knowledge in the best possible way, and I will continue to work on their improvement, in order to attain my desired career objectives. Hope to continue cooperation with all of you in the future.

Acknowledgement

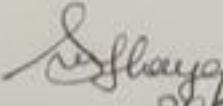

The internship opportunity I had with FUTURE-ED CADD CENTER was a great chance for learning and professional development. Therefore, I consider myself a very lucky individual as I was provided with an opportunity to be a part of it. I am also grateful for having a chance to meet so many wonderful people and professionals who led me through this internship period.

I express my deepest thanks to Ms. Rinku Suresh (Civil Engineer/BIM Professional Trainer) for providing this brilliant opportunity, for giving the necessary advice, guidance, and arranged all facilities. I choose this moment to acknowledge her contribution gratefully. I would like to express my deepest gratitude and special thanks to Ms. Rinku Suresh who despite being extraordinarily busy with his duties, took time out to hear, guide and clear all my doubts regarding the various process in construction.

The friendly welcome from all the employees is appreciating, sharing their experiences giving their peace of wisdom which they gained in the long journey of their work.

I perceive this opportunity as a big milestone in my career development. I will strive to use gained skills and knowledge in the best possible way, and I will continue to work on their improvement, in order to attain my desired career objectives. Hope to continue cooperation with all of you in the future.
