KSSEM Department of Management Studies conducted an Enterprising Juncture similar to the Ice-Breaking Session on 23rd February 2023. The event was conducted for students of MBA Semester I to mark their first Ice- Breaking session at the Orientation.

The event began at 11:00AM with fun team building and time management games such as Confidence Building, Self Introduction in creative ways, which the students thoroughly enjoyed. After an exhaustive round of managerial games, the students played a game of Pictionary which tested their creativity and communication skills on given topics. Every group of 5-6 members made a presentation on the given topic. The students enjoyed each game and bonded with their classmates, in spite of meeting most of them for the first time.

The event ended with a vote of thanks by Sandhya.
