Workshop on System Programming and Device Drivers

Department of CSE in association with Jyoti Embedded Labs had arranged one day workshop on System Programming and device drivers on March 5, 2018 for 6th and 8th semester students. The session stressed on the importance of Linux operating system, its architecture and the opportunities to explore in the corresponding domain was discussed.

Jyoti Embedded Labs is Bangaluru based training institute specialized in providing job oriented programs. Their training offerings provide necessary competitive edge to students which helps them to maximize opportunities, anticipate the market(technical) demands better and respond to it effectively.
