Department of Electronics and Communication

## Workshop on "Virtual Instrumentation Using LabVIEW"

Resource Person

Mr. Ashish Bothra & Sushmitha B from Jigsaw Academy-Bangalore

The Department of Electronics and Communication Engineering organized a Three Day Workshop on "Virtual Instrumentation Using LabVIEW" from 8th to 10th August 2016 in HDL lab from 9.00 Am to 3.45 Pm for 7th semester students. The workshop was formally inaugurated by Dr. Girish Attimarad, Head of the department, Mr. Sanjay Nayak, Associate Professor, Resource persons and Program Coordinator, Dr. Karthik P, Professor, ECE Dept. The main objective of the workshop was to make the undergraduate students understand the importance of Virtual Instrumentation using LabVIEW. Also workshop stated with basic operations like addition, multiply etc., using LabVIEW software tool. Students were also provided with hands-on sessions working on real-time applications like talking tom, checking 3D graphs, creating a virus. MyDAQ and MyRio Hardware using LabVIEW software tools were highlighted. This workshop provided knowledge about data acquiring techniques needed to carry out final year project for final year students.
