LETTER OF RECOMMENDATION

I am pleased to write this letter of recommendation on behalf of Ms. Ayesha Firdose whose perseverance, and thirst for knowledge have made me recommend her to your esteemed university. She had been attending my classes on Power Electronics. While attending classes she has shown herself to be an active student.

Ms. Ayesha Firdose has revealed maturity with conviction and knowledge and demonstrated a desire for acquiring knowledge.

She is one of the few students I have taught who has a good balance between academic and extracurricular activities. She bears a good moral character and is focused on her aim in life of studying. On a personal level, Ms. Ayesha Firdose is a young lady of strong character who fully embodies all the traits you look for potential candidates.

I highly recommend her for her proposed higher studies.

Wishing all the very best for her future.

All the Best

Vinutha Srikanth

Associate Professor and HOD
Department of Electrical & Electronics Engineering

LETTER OF RECOMMENDATION

I am pleased to write this letter of recommendation on behalf of Mr. Raghu H whose perseverance, and thirst for knowledge have made me recommend him to your esteemed university. He had been attending my classes on Power Electronics. While attending classes he has shown to be an active student.

Mr. Raghu H has revealed maturity with conviction and knowledge and demonstrated a desire for acquiring knowledge.

He is one of the few students I have taught, who has a good balance between academic and extracurricular activities. He bears a good moral character and is focused on his aim in life of studying. On a personal level, Mr. Raghu H is a young man of strong character who fully embodies all the traits you look for potential candidates. Mr. Raghu was one of the leading members in the innovative project which we carried out in the Department of Electrical and Electronics Department which was named "Design and implementation of Electric Wagon", He has shown utmost interest and carried out the project throughout the pandemic to

I highly recommend him for his proposed higher studies.

Wishing all the very best for his future.
