**K.S. SCHOOL OF ENGINEERING AND
MANAGEMENT, BANGALORE**

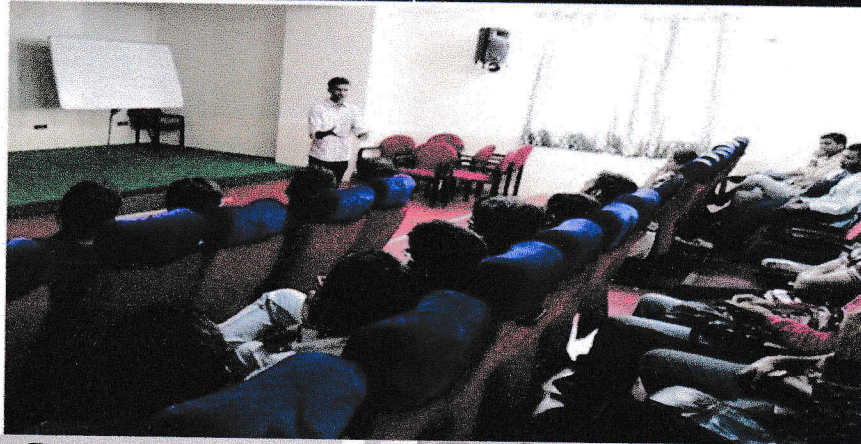

**DEPARTMENT OF MECHANICAL ENGINEERING
(2018)**

Career Guidance Program

The Department of Mechanical Engineering had arranged career guidance program for 3rd and 4th year Students on 24th September 2018. The resource persons were Mr. Pavan Kumar and Mr. Bharath Hemanth, the alumni of our department. They discussed the challenges faced and preparedness with respect to the placements. They also briefed the ideology behind the entrepreneurship.

Mr. Bharath completed his master's in Aircraft Design from Ramaiah University pursued his dream of being an entrepreneur. He is currently working on biogas generation and vermicomposting. He stressed on the importance of projects. With a few interesting ideas to support his new venture, He offered the students with the project opportunities that could aid his venture.

Mr. Pavan Kumar presently working as Quality Assurance Engineer for Toyota Industries Engine India. During his tenure, he has visited Toyota dealerships in many parts of the country addressing engine related customer complaints and is currently supporting Toyota vehicle plants in Thailand being an on-site customer quality engineer. Laying emphasis on the latest technology ; knowledge on autonomous driving, hydroponics, 3d printing, the block chain, IoT, etc., He also detailed about these information on online course providers like edx.org and Coursera that be accessed to learn new skills and upgrade the knowledge base of an individual. He also mentioned the importance of communication skills in effectively interacting as a professional.

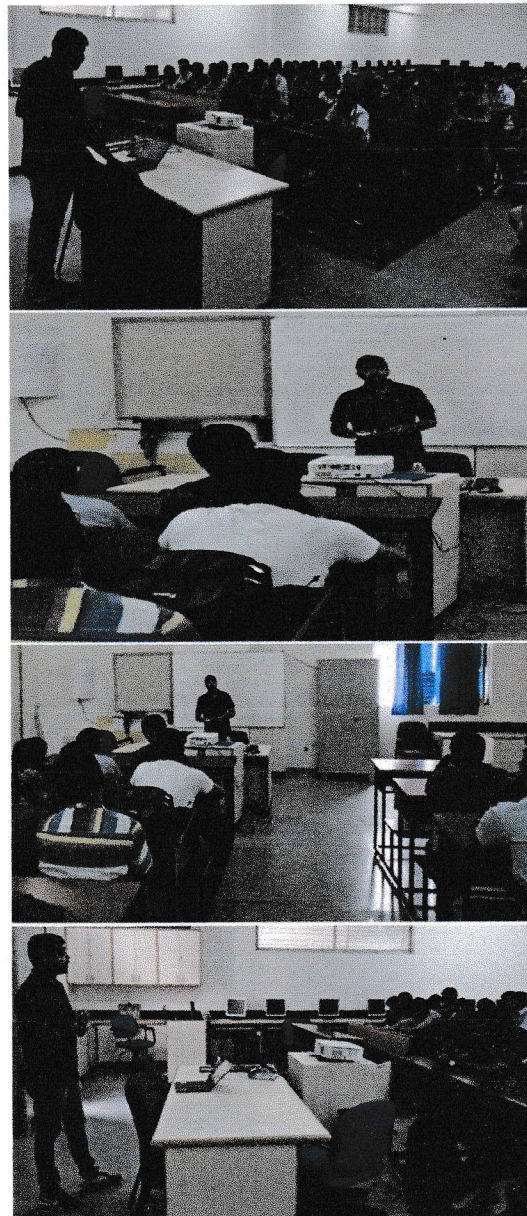

Career Guidance Program

Mr. Kishan, an alumnus of our Department (2015 Batch) conducted a career guidance session for the final year students. He addressed the current trend in the Mechanical Engineering and job opportunities after the graduation. He is currently working as presently working as Design Engineer at Quest Global GmbH in Rolls Royce site for Aero Engine Design and Development. We the Department, College & Management whole heartedly congratulate and wishes him a great career ahead and continue to support us in this regard.

Date: 06/09/2018

Place: CAED Lab

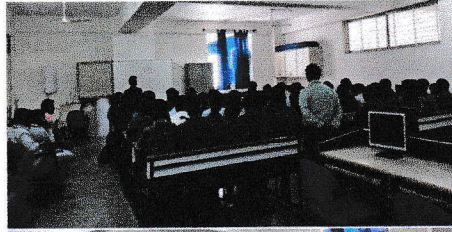

Career Guidance Program

Mr. Prasad B.G. alumnus from the first outgoing Batch (2010) was invited to address the final year students as part of career guidance Program. He is currently working as Production Manager in Dynamitic Technologies Limited, Peenya, Bangalore. He spoke about the current trends in Mechanical Engineering and job opportunities after graduation. Faculty of Mechanical Department of KS School of Engineering and Management whole heartedly appreciate his willingness and interest in sharing his knowledge with the Outgoing batch and extend the same zeal for our future students. We also wish him success in all his future endeavors and a bright career ahead.
