| 6 | 1KG18CS046 | Kotapati Sushma Chowdary | |

## Agenda

| Sl. No. | Points Discussed | Comments | Remedial measures by HOD |
|---|---|---|---|
| 1. | Students feedback on teaching pedagogy | Required revision of module 1 and 2 for the subject Software Engineering. Need Real time applications examples of the subjects. | The concerned staff have been conveyed the same for revision. All 3rd sem A sec staffs has to follow the scheduled course plan Pedagogy. |
| 2. | Students feedback on clarity of concepts | Concepts in few subjects have doubts that need more explanation. | Once the topic is done in class ask doubts immediately. Otherwise meet to faculty during break time. |
| 3. | Students feedback on portion coverage | All subject concerned faculties have completed 2-2.5 modules. Except DMS(1.5 module) | DMS is vast subject and students need time to understand, so staff is taking time for completion. As per Course Plan Syllabus other subjects are completed. |
| 4. | Students feedback on lecture notes, question bank | Lecture notes and question banks are available in Pupilpod. | Lecture Notes and Question Bank are provided for all subjects and students are satisfied. |
| 5. | Students feedback on Internal assessment | • Question papers were easy. Correction was moderate. <br>• Assignment submission date for all subjects was given on the same date and it was very near to first IA. <br>• Need time for assignment submission. | Assignment dates will be discussed. It is found that assignments were not written in assignment books, So here after care must be taken in the same regard. |
| 6. | Students feedback on placement activities | • Request to provide more activities and workshops on aptitude. <br>• skill development program has some queries | • More activities will be planned on aptitude. <br>• Lot of noise was there in class during skill development program, Students need to be quit and get the concepts cleared. |
| 7. | Students feedback on department activities | • Requesting to organize seminars on programming languages. <br>• Provide opportunity to participate in hackathon competitions. | • Initiation has been taken to organize seminars on programming languages <br>• Opportunities will be provided for the Hackathon activities and students need to come up with innovative ideas for project. |
| 8. | Staff feedback on students' performance, attendance and discipline | • Slow learners must put more effort on subjects to learn and compulsorily attend class. <br>• Solve more exercise problems. <br>• Study regularly and not before the internals. <br>• Lab attendance is low. | Students need to be punctual on college timings. Be regular to class. PTM was conducted on 18/09/2019, received good response from the parents who were attended. |
| 9. | Other students' requirements to improve their skills | • Activities on group discussion for cracking interviews, <br>• Required for workshop on IOT and ML. | • Immediately, this week one session on a particular topic related to any subject GD will be conducted. <br>• Technical forum-Encryptonites, will be conduct the activities for IOT and ML. |
