We need programming skills sessions. 	<ul style="list-style-type: none"> Basics need to be known. Encourage juniors to be aware of aptitude and programming from now onwards. Extra workshop will be conducted.
8.	Staff feedback on students' performance, attendance and discipline	WT synopsis is not submitted.	Since students told front end is ok but back end designing is difficult, one session will be held on that topic.
9.	Other students requirements to improve their skills	Request to organize industrial visit	Industrial visit will be organized soon.
